

2008 – 2014 Accomplishments

Funding/State Recognition

- Awarded Sierra Nevada Conservancy IRWM Launch Grant of \$55,000 (2008)
- Recognized as an official IRWM region by Department of Water Resources through Region Acceptance Process (2009)
- Awarded Proposition 84 Round 1 Planning Grant of \$237,000 (2011 – 2013)
- Awarded Prop. 84 Round 1 Implementation Grant of \$1,075,000 (2011 – 2014) to fund seven on-the-ground water improvement projects (water supply reliability and water quality) and one feasibility study <http://inyo-monowater.org/inyo-mono-irwm-plan-2/implementation/>
- Awarded grant to work with disadvantaged communities and tribes: \$496,000 (2011 – 2014) <http://inyo-monowater.org/inyo-mono-irwm-plan-2/dac/>
- Awarded Prop. 84 Round 2 Planning Grant of \$480,000 (2012) to update IRWM Plan and implement three planning projects (stormwater and flood management) <http://inyo-monowater.org/inyo-mono-irwm-plan-2/planning/>
- In total, since 2008, more than \$2.3 million in Prop. 84 grant money has been awarded to the region, the vast majority of which has remained in the region
- Inyo-Mono IRWM Program represented on the California Water Plan Update 2013 Public Advisory Committee, Disadvantaged Communities Caucus, and North/South Lahontan Regional Fora
- Inyo-Mono IRWM Program represented on the DWR Climate Change Technical Advisory Committee (2012 – 2014)

IRWM Program Development & Planning Process

- Adopted pre-planning Memorandum of Understanding (2008); reached 27 signatories
- Adopted Inyo-Mono IRWM Plan, Phase I (2010)
- Adopted planning/implementation Memorandum of Understanding (2010, with revisions in 2011); currently has 33 signatories <http://inyo-monowater.org/about-us-2/meet-the-group/>
- Adopted Inyo-Mono IRWM Plan, Phase II (2012) <http://inyo-monowater.org/inyo-mono-irwm-plan-2/inyo-mono-irwm-plan/>
- Fifty-four Regional Water Management Group meetings convened (2008 – 2014)
- Over 100 public and one-on-one outreach meetings conducted in Inyo, Mono, and Kern Counties (2008 – 2014)
- Completed analysis of expected climatic changes and climate change impacts to Inyo-Mono IRWM region (2011)
- Convened region-wide conference on DAC and tribal participation in Inyo-Mono IRWM Program (2014)
- Produced documentary film about DAC involvement in Inyo-Mono IRWM Program (2014)
- Coordination with neighboring IRWM regions on boundaries, DAC outreach efforts, Plan development, and funding allocation (2008-2014)
