

Great Basin Climate Forum

Southern Great Basin Climate Forum Series

October 16th, 2013

**9am-4pm
Patio Room
Tri-County Fairgrounds
Bishop, CA**

confirmed speakers:

Kelly Redmond, Deputy Director, Western Regional Climate Center

David Herbst, Sierra Nevada Aquatic Research Laboratory

Matt Brooks, USGS Western Ecological Research Center

Alan Bacock, Water Program Coordinator, Big Pine Paiute Tribe
of the Owens Valley

Connie Millar, USFS, Pacific Southwest Research Station

The Great Basin Climate Forum covers recent and current climate conditions in the Great Basin, and resource management decisions and issues in upcoming months that are affected by climate.

The Forum is intended for public and private resource managers and professionals, tribal members, and interested organizations. Attendance/lunch are free.
